Dear Sir:

On December 14, 2006, the U.S. Patent and Trademark Office issued a Notification of Insufficient Fees stating that the search fee, and examination fee had not yet been paid and establishing a deadline of February 14, 2006, for doing so. Applicants accordingly respond by way of this submission and authorization to pay the required \$600 fee and \$130 surcharge by way of credit card. Also, the notification indicates that an inventor declaration was filed on April 12, 2006. However, our records indicate no inventor declaration has yet been filed and we accordingly enclose one herewith. The application should now be complete and should proceed to examination.

Should the Office have any questions, it is invited to telephone the undersigned

Dated: December 27, 2006

Respectfully submitted,
